VDO TPMS Go

Features

- Activates TPMS sensors of all light vehicles worldwide, displays all sensor data
- Programs all leading universal aftermarket sensors
- Displays all sensor data in seconds, e.g.: ID, tire pressure and temperature, battery status
- Selects vehicles via make-model-year look-up
- Provides TPMS sensor part numbers
- Tests remote key entry (RKE)
- Easy-to-read display, with adjustable backlight
- User friendly navigation and command buttons
- Frequent database updates via PC desktop software

Database

- All OE sensors worldwide and all leading aftermarket sensors including Schrader EZ-sensor, Alcar by Schrader, Alligator Sens-it, Huf Intellisens, VDO REDI Sensor, Hamaton T-Pro/EU-Pro, Orange DirectFit/ Universal EU and Mobiletron
- 100% of all light vehicles worldwide equipped with indirect and direct-type TPMS
- 2 years Update Plus inclusive (free software and database updates)

Languages

- DE, EN, IT, FR, HE, ES, HR, KO, CS, DA, NL, FI, HU, NO, PL, PT, RO, RU, SK, SL, SV, TR

Delivery content

- VDO TPMS Go
- USB data cable
- Charger
- USB thumb drive containing WebTPM PC software, driver programs and user manuals

Technical data

- Weight: 250 g
- Dimensions (H x W x D): 150 x 80 x 25 mm

Part number

VDO TPMS Go 2910002037400

VDO

VDO TPMS Go: Low cost, robust and easy to use

Check Sensor Data

- | | | | |
|---|-----------------|---|--------------|
| 1 | Temperature* | 4 | Vehicle data |
| 2 | Battery status* | 5 | Sensor ID |
| 3 | Frequency | 6 | Pressure |

*some sensors do not show the battery status.

Integrated Part Number Look-Up

VDO TPMS Go guides you to compatible sensors and part numbers for any vehicle, and indicates the correct torque values.

Programming and Relearning

Quickly program aftermarket sensors, one wheel at a time. For relearning, use the VDO TPMS Go with a diagnostic scan tool or follow the vehicle's instructions for auto or manual relearn.
